SUBJECT: 94-TA-45 Boorman Final Minutes

Although we recommended to Dr. Boorman that all references to TALC FIBERS in his minutes be changed to TALC PARTICLES, your current mailing to our task force of October 21 still has TALC FIBERS on pages (1) and (2).

As we have cautioned before, TALC FIBERS is not only wrong, but has the most uncomfortable connotations which continue to keep the talc/asbestos controversy alive in the wrong circles.

Please make another effort to have Dr. Boorman delete FIBERS.

Hoping it is not too late.

Regards,

W. Ashton / db
