Dear Gary,

Just wanted to let you know I sent the attached letter to Jeff Carr at ISRTP. Our industry is concerned about perpetuation of the term talc "fibers" (I also note that you used the same term in your minutes of our meeting at NIEHS), so I hope we can clear this up in your manuscript if possible.

Best regards,

Stephen D. Gettings, Ph.D., D.A.B.T.
Director - Toxicology

Attachment

P.S. I will probably be attending the NTP peer-review meeting on November 29th so I'll drop by to say "hello".
