July 17, 1975

Mr. Frank Eby  
Amoco Chemical Company  
River Road - P. O. Box 312  
New Castle, Delaware 19720

Dear Frank:

You will be interested to know that recent X-Ray scans of the latest production lots of #4615 and #4660 as well as #4655 Polytal, all show no detectable amounts of asbestos forms present. These tests are made by a very reliable outside laboratory for your protection.

Thank you for your interest in our products.

Very truly yours,

WHITTAKER, CLARK & DANIELS, INC.

William C. Cooper
